INSTRUCTIONS: (Step by step pictures are available on the website on the creative ideas page.)

STEP 1: Cover your work surface with a protective cover e.g. newspaper.

STEP 2: TIP orange, yellow and hot pink FLIPTÉZ® onto the flower alternately and in a diagonal pattern.

STEP 3: Use your fingers to rub/ZIP the FLIPTÉZ® into the page.

STEP 4: Tip the hot pink FLIPTÉZ® around the edge of your flower.

STEP 5: Use the EzyShaid® applicator to rub/ZIP the FLIPTÉZ® into your flower edge.

STEP 6: Spray your flower with self-adhesive. Make sure your work surface is protected.

STEP 7: Quickly sprinkle EzyShaid® shimmer onto your flower. Allow the shimmer to set on the glue for a few minutes.

STEP 8: Place some glue in the centre of your flower and stick down the pink tissue circle. Add glue to the centre of the pink tissue and stick on the orange tissue. Repeat with the yellow tissue circle.

STEP 9: Place some glue in the centre of the yellow tissue and stick down the coloured jewel.

STEP10: Gently scrunch the tissue around the jewel.
